MEMORANDUM FOR: Deputy Director (Administration)

SUBJECT : [redacted] "Personal Loan" to 25X1A9A

1. You have asked for our comments on the memorandum from the Inspector General to the Director, dated 2 October 1954, on the above subject.

25X1A9A 2. We concur in the recommendation of the Inspector
25X1A9A General that [redacted] be reimbursed for the \$2,000 he advanced
25X1A9A to [redacted] As paragraph 9a of the Inspector General's memorandum
shows, the Agency would have been forced, for operational
reasons, to have paid [redacted] debt to [redacted] if [redacted] had
not lent \$2,000 of his personal funds. [redacted] in lending
his own money, was thus acting on behalf of the Agency and
is entitled to be reimbursed.

25X1A9A 3. We note that the Inspector General recommends that
the Director authorize the Deputy Director (Administration)
to reimburse [redacted] Since [redacted] para-
graph 9a authorizes the Deputy Director (Administration) to
take final action in cases such as this which arise out of the
unusual functions of this Agency, we believe that you have
the authority to authorize [redacted] reimbursement without
any action on the part of the Director.
